

COMMUNITY INVESTMENT PLAN

Where We Are:	What We Do:	The Result We Want to Achieve
<p>The Pikeville Community Foundation (PCF) facilitates the gifting of community donors to those in need within the community. The foundation recognizes that quality of life in the community is built on several sectors and have identified as priorities the following: health and wellness; youth; housing and family assets; arts, culture, and historic preservation; economic development; education; and environment.</p> <p>Tackling such a broad range of areas means the foundation must focus on the most pressing needs. Top challenges PCF identifies are:</p> <ul style="list-style-type: none"> • Housing insecurity, homelessness, and substandard housing • Small business development, retention, and growth • Physical and mental health and wellness • Economic self-sufficiency for families • Arts, culture, and historic preservation <p>Pikeville is positioned for economic growth. Surrounded by natural beauty and built on a foundation of rich heritage and values from the Appalachian mountains, the City of Pikeville has effective, progressive leadership. Strong work ethic and skills and generosity toward others are strengths, as is the public education system that serves youth and families.</p> <p>No one organization can accomplish improving life for all people. PCF seeks to strengthen relationships with organizations such as the Pikeville Independent and Pike County Schools, Westcare, Appalachian Center for the Arts, Food Pantry, Ministerial Association, Habitat for Humanity, Rotary Club, among others.</p>	<p>We work to strengthen Pikeville and Pike County, Kentucky, through philanthropy.</p> <p style="text-align: center;">Values for the Work and the Future:</p> <p style="text-align: center;">Serve evolving needs to benefit the entire community Inspire trust and transparency Improve quality of life Support self-sufficiency Support overall wellness</p> <div style="display: flex; justify-content: space-between;"> <div style="writing-mode: vertical-rl; transform: rotate(180deg);">Overarching Strategies:</div> <div style="width: 80%;"> <ol style="list-style-type: none"> 1.
